

FUTURE BUSINESS LEADERS FORUM

We are convening next-generation leaders from top global companies for a transformational learning journey to achieve peak performance

Participants will develop as inspirational leaders, learn from leading global business and thought leaders, and build a global network of peers.

Program overview & logistics:

- 6-month learning journey to hone core skills around critical thinking & strategy, innovation & disruption, and leadership & influence
- Mix of distinctive digital courses, in-person learning sessions, and live webinars designed and delivered by McKinsey practitioners and global business and thought leaders
- 2.5 day in-person kickoff conference (in NYC) and 1 day end-of-program session (held regionally), featuring distinguished CEOs, leading faculty, and McKinsey Partners, including:

Dominic Barton, Global Managing Director,
McKinsey

Chip Heath, Professor, Stanford Graduate School of
Business; author of *Decisive*, *Switch*, and *Made to
Stick*

Bharat Anand, Professor, Harvard Business School;
Faculty Chair, HBX

Peter Grauer, Chairman, Bloomberg; World
Economic Forum (Founding Chairman, Community of
Chairmen; member, International Business Council)

Sanjay Sharma, Professor, MIT; Director of Digital
Learning

Erik Roth, Director, McKinsey; co-author with Clayton
Christensen of *Seeing What's Next*

Participant profile:

- **Top rising stars being groomed for leadership roles** (e.g., Head of Business Unit/Functional area) **in next 3–5 years**
- **Must be nominated by client leadership** (CEO, CHRO, Head of Business Unit, etc.) **or through CST**
- Each client / CST can **nominate 4 or 8 participants (1-2 teams of 4)**

Value proposition:

To your organization

- **Build capabilities** of next-generation leaders
- **Expose future leaders to ideas** from across industries and geographies

To your next-generation leaders

- **Improve individual and team performance** through accelerated learning
- **Join a global network** of future leaders
- **Elevate visibility** within organization
