

Overview

An invitation-only program that convenes rising stars from the world's leading companies for a transformational learning journey through which they will sharpen their core leadership skills, connect with business and thought leaders, and cultivate a network of influential leaders.

Program overview & logistics:

- **The Future Business Leaders Forum is a six-month journey featuring distinctive digital learning, in-person events, and live webinars** designed and delivered by McKinsey practitioners, CEOs, and leading business school faculty.
- The forum kicks off with a two-and-a-half day **in-person conference** in New York, and closes with a one-day **regional end-of-program event**, featuring distinguished global business and thought leaders, including:

Dominic Barton, Global Managing Director, McKinsey
Klaus Kleinfeld, Chairman and CEO, Alcoa
Chip Heath, Professor, Stanford Graduate School of Business; author of *Decisive*, *Switch*, and *Made to Stick*
Bharat Anand, Professor, Harvard Business School; Faculty Chair, HBX

Peter Grauer, Chairman, Bloomberg; World Economic Forum (Founding Chairman, Community of Chairmen; member, International Business Council)
Sanjay Sarma, Professor, MIT; Director of Digital Learning
Erik Roth, Director, McKinsey; co-author with Clayton Christensen of *Seeing What's Next*

Participant profile:

- **Rising professionals preparing for leadership roles.** A typical participant is likely to lead a function or business unit in **3-5 years**.
- Participants can be nominated by their organization's leaders in conjunction with their **McKinsey client service team** (CST). We encourage you to nominate 1-2 groups of four participants each to go through the experience together (they can be from across your organization). Please reach out to your CST to propose candidates.

Value proposition:

To your organization

- **Build the capabilities** of your next-generation leaders
- **Expose your** future leaders to **ideas** from across industries and geographies

To your next-generation leaders

- **Improve their individual and team performance** through accelerated learning
- Join a **global network of future leaders**
- **Elevate their visibility** within your organization

critical thinking &
strategy

leadership &
influence

innovation &
disruption
